

Santa Clarita Valley Mountain Bike Team

2027 Race Season Sponsor Program

Dear Youth Cycling Supporter,

Another remarkable year has passed for Santa Clarita Valley Mountain Bike Team (SCVMTB)! With help from supportive parents and sponsors like you, SCVMTB Team served over 50 student-athletes during our 2026 season. Your investment in SCVMTB Team helps get more teenagers outside, on bikes, exercising and participating in team and community activities. These benefits are reflected over the past few years with the continued growth of youth joining the team. With the generous support of sponsors like you, we can continue to grow SCVMTB Team by keeping up with the demand for quality youth mountain biking programs in Southern California.

Santa Clarita Valley Mountain Bike Team represents a truly amazing opportunity to make a difference in a teenager's life, and by supporting SCVMTB Team, you are doing just that. On the following page is a description of sponsorship levels and related benefits. To learn more about SCVMTB Team please visit our website at <https://www.scvmountainbiketeam.com>

We hope that you will help us to fund the future of youth cycling through a sponsorship/donation to Santa Clarita Valley Mountain Bike Team.

Sponsorship is a great way to increase the visibility of your business in the local community! We partner with you to provide promotional value beyond just your logo on a T-shirt. Our team and program are very active on social media and regularly promote sponsors on Facebook, Instagram, our website, at community events through signage, etc. We love to recognize our amazing sponsors at team meetings, team parties as well as our end of the year awards banquet.

**Sponsor commitment
deadline:
November 6, 2026**

Please make checks payable to:

or Zelle: SCV MTB

Logo: Important for sponsors: we need a high-resolution, editable digital file of your logo. Ideally a source file from whomever created the logo. Should be in a "vector format," such as EPS or Adobe Illustrator (.ai). The logo you use on your website won't look good when we scale it up to use on a jersey, large banner, etc.
